* No, 112 years haven't really passed since the last index! The 1990 index was Volume 17, and this would have been Volume 18, but in 1991, we chose to reclaim our heritage and let our number reflect that *The Disciple* and its predecessors date back a proud 129 years.

The 1991 Disciple Index is divided into two sections: [1] Subjects, which also includes persons as subject, and [2] Authors, co-authors, contributors, etc.. The word "il" means that there is an accompanying photograph or drawing with the item or column, and "por" means that there is a photograph or portrait of the person mentioned.

Sample entries:

- | | |
|---|---|
| <p>[1] CENTRAL AMERICA (as subject)
Costa Rica: Oasis of peace?
(3rd in a series on Central
America). Alvarez. il Ja 30</p> <p>[3] ALVAREZ, CARMELO E. (as author)

Explanations:

- [1] An illustrated article on Central America, written by Carmelo E. Alvarez is found on page 30 of the January issue.
- [2] An item with a portrait about William Tabernee is found on page 39 of the January issue.
- [3] Carmelo E. Alvarez is the author of an article found on page 30 of the January issue.

For news about Disciples of Christ congregations, see Christian Church (Disciples of Christ)--Local Congregations. Articles are listed alphabetically by state, city and name of church. General articles concerning the Disciples of Christ are found under the caption Christian Church (Disciples of Christ). Concerning articles regarding specific countries, refer also to the area in which the country is located: i.e., Nicaragua in Central America and Latin America.

For additional items about persons not found listed or repeated in the Subjects section, please see also these categories in the Subject Index: Honored Minister Pins, Changes (Ministerial), Obituaries, and Ordinations.
